

Sabha, a lovingly restored 160-year-old architectural landmark in the heart of the city, offers a unique venue with rich history. Originally a Tamil school, belonging to RBANM's Educational charities, the building has now been carefully restored by Ammini Trust, preserving its classic design, including its distinctive features like the Madras roof and iconic wooden windows and pillars. The building's architecture provides a captivating backdrop for various events, blending historical charm with modern functionality. The building has been upgraded with state-of-the-art audio and light tech, air conditioning, and high speed wifi. Choosing Sabha means becoming part of its legacy. This restored space offers a unique ambience, merging history with contemporary events for a memorable experience.

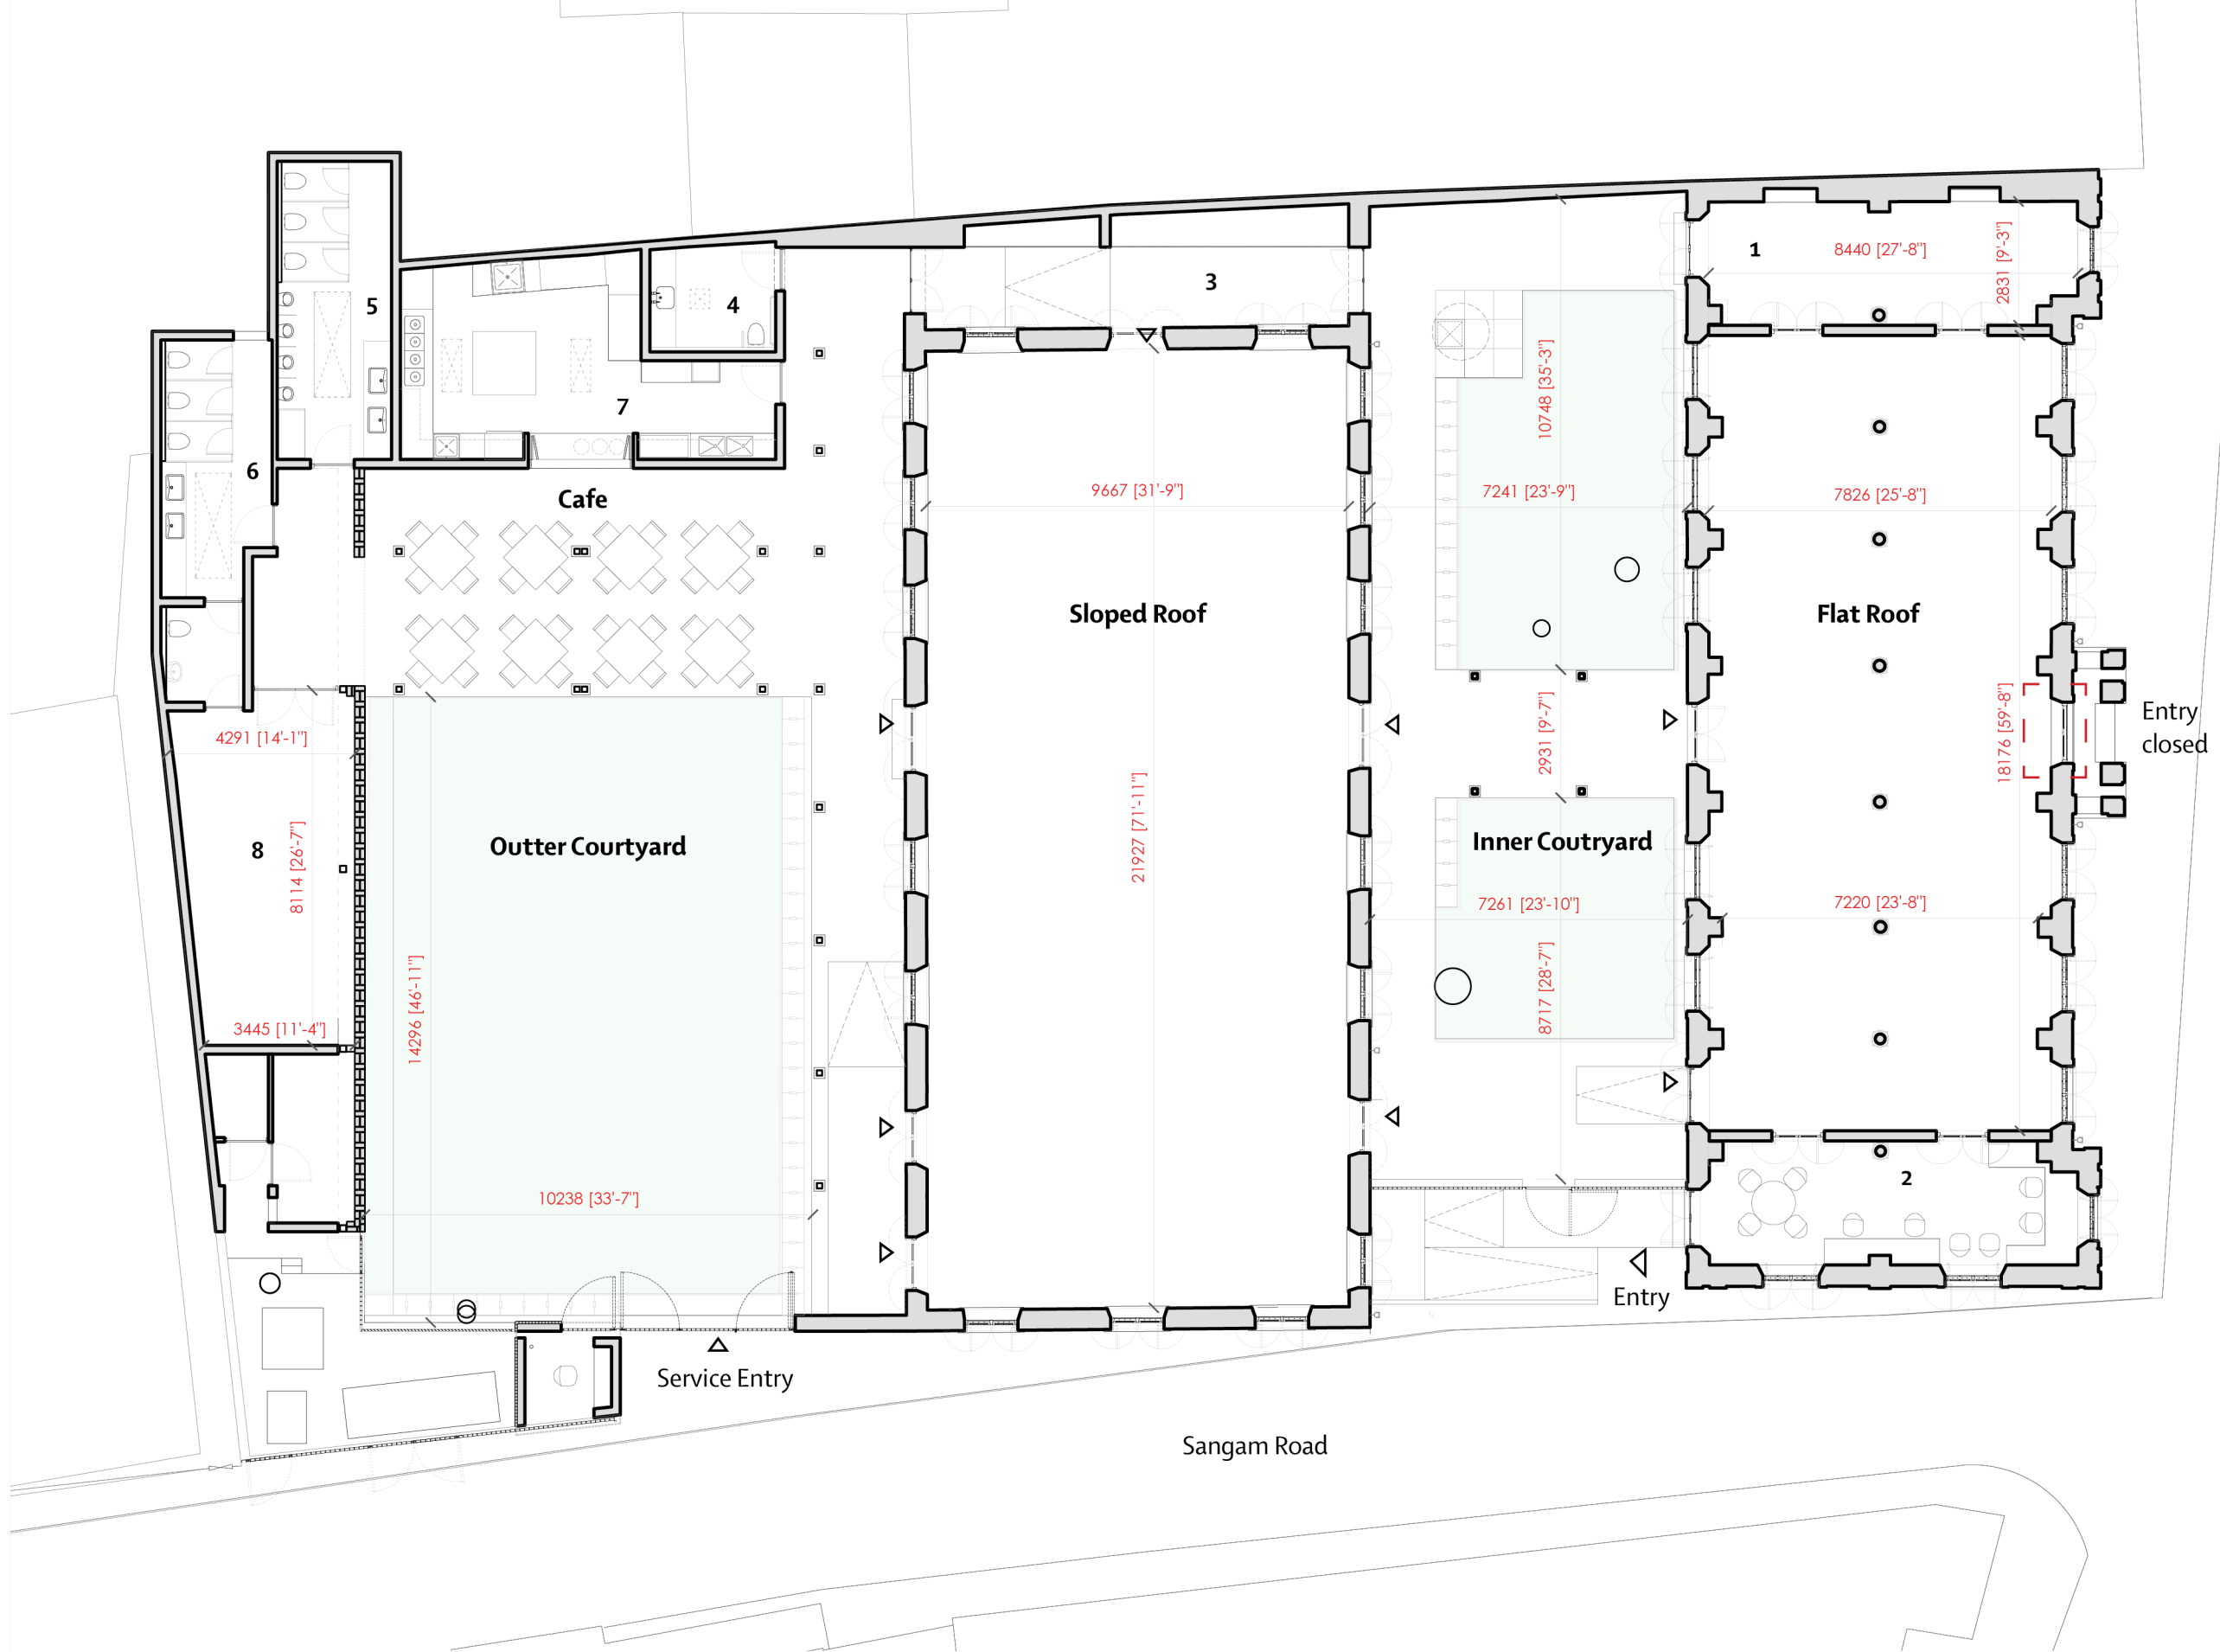

We have two indoor spaces:

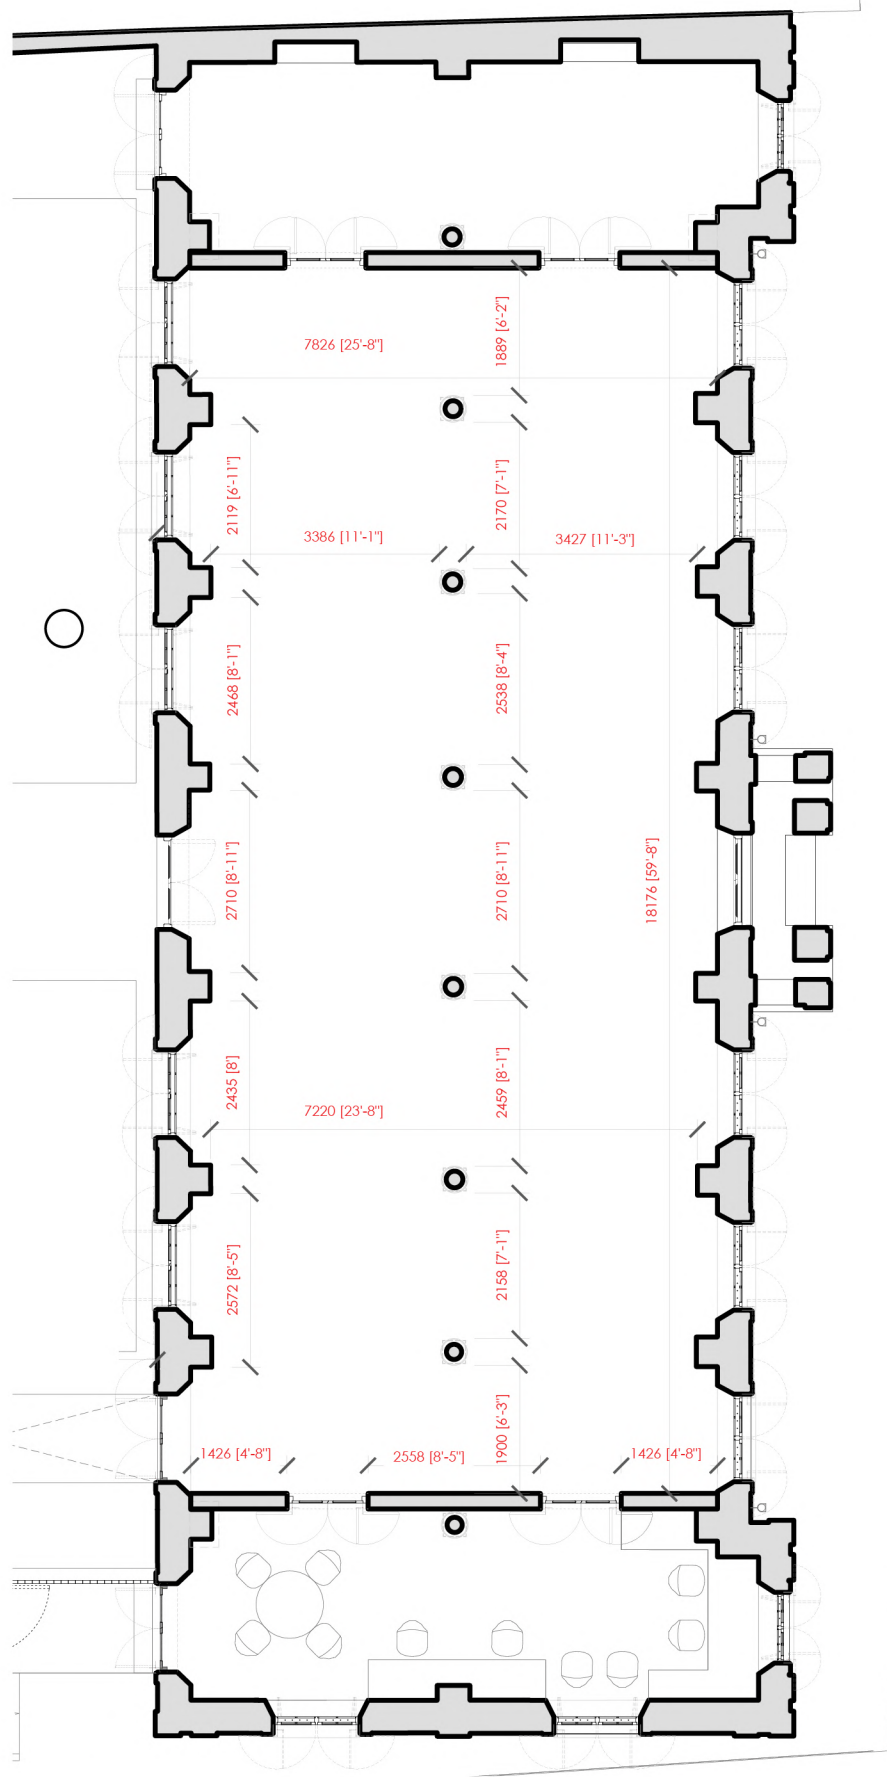

1. **Flat roof block:** For exhibitions, visual arts and small gatherings
2. **Sloped roof block:** For performing arts and exhibitions

We have three outdoor spaces:

3. **Cafe:** Managed by Rogue Elephant
4. **Outer Courtyard:** Prefunction space and artisan market
5. **Inner Courtyard:** Interconnected space between both buildings

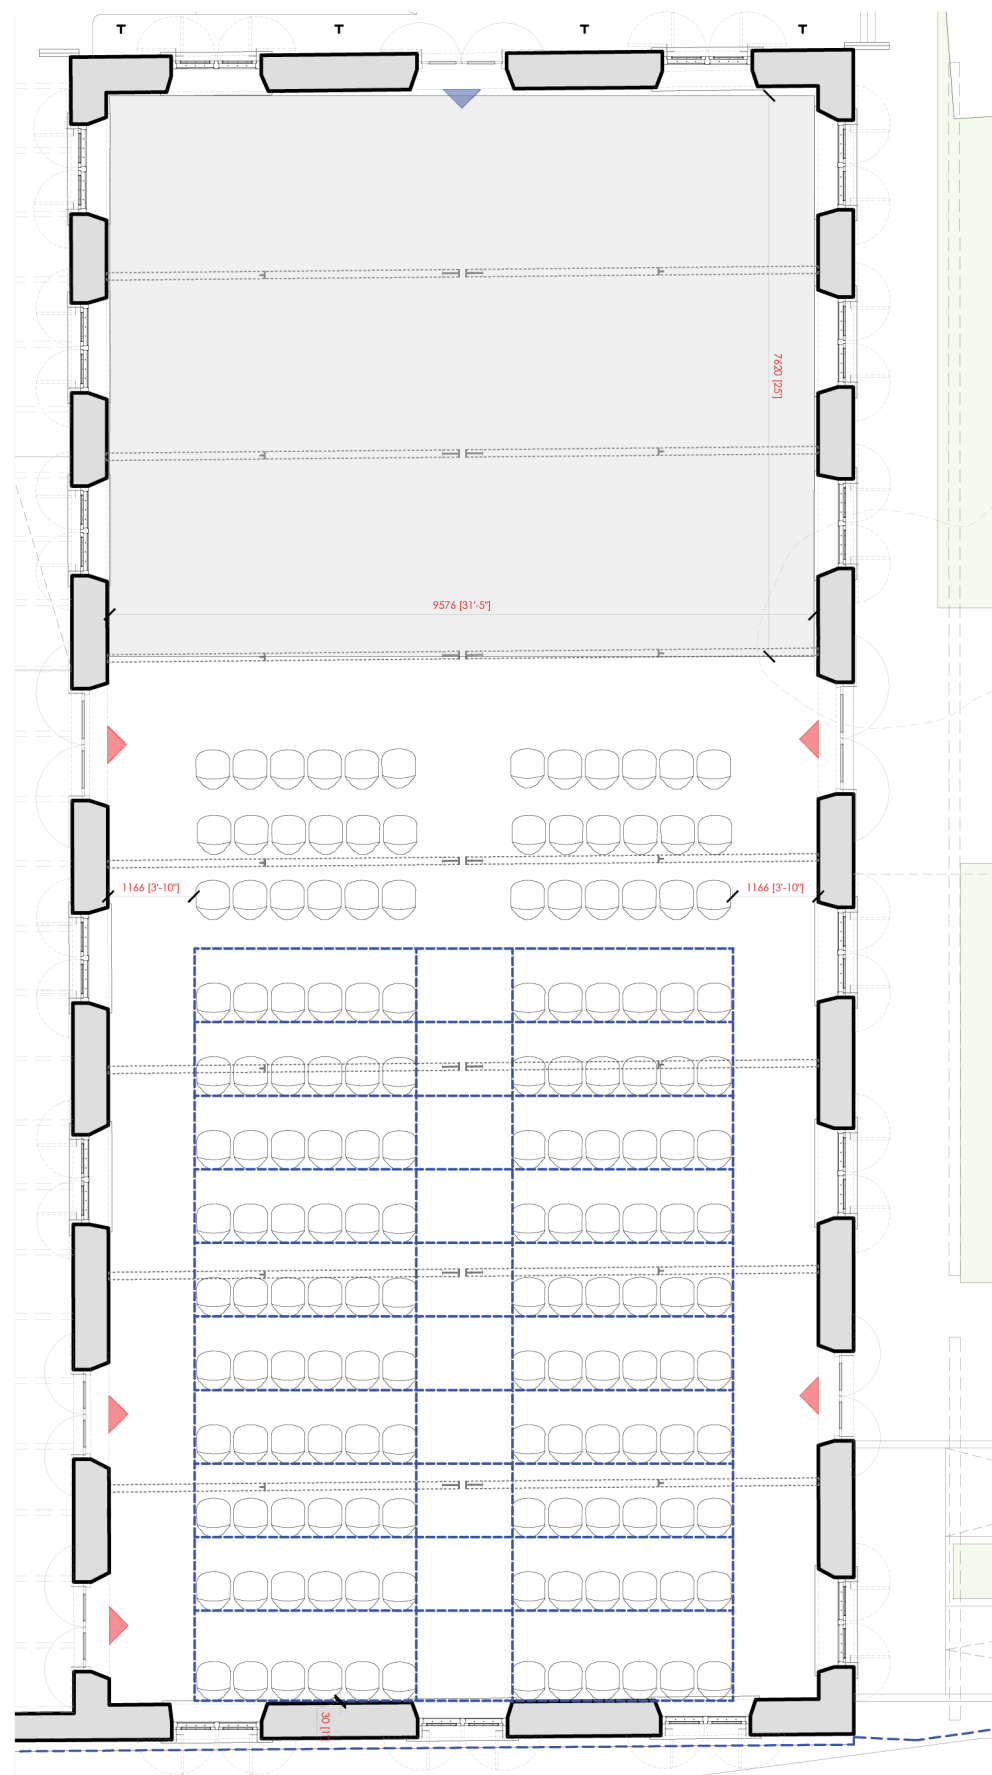

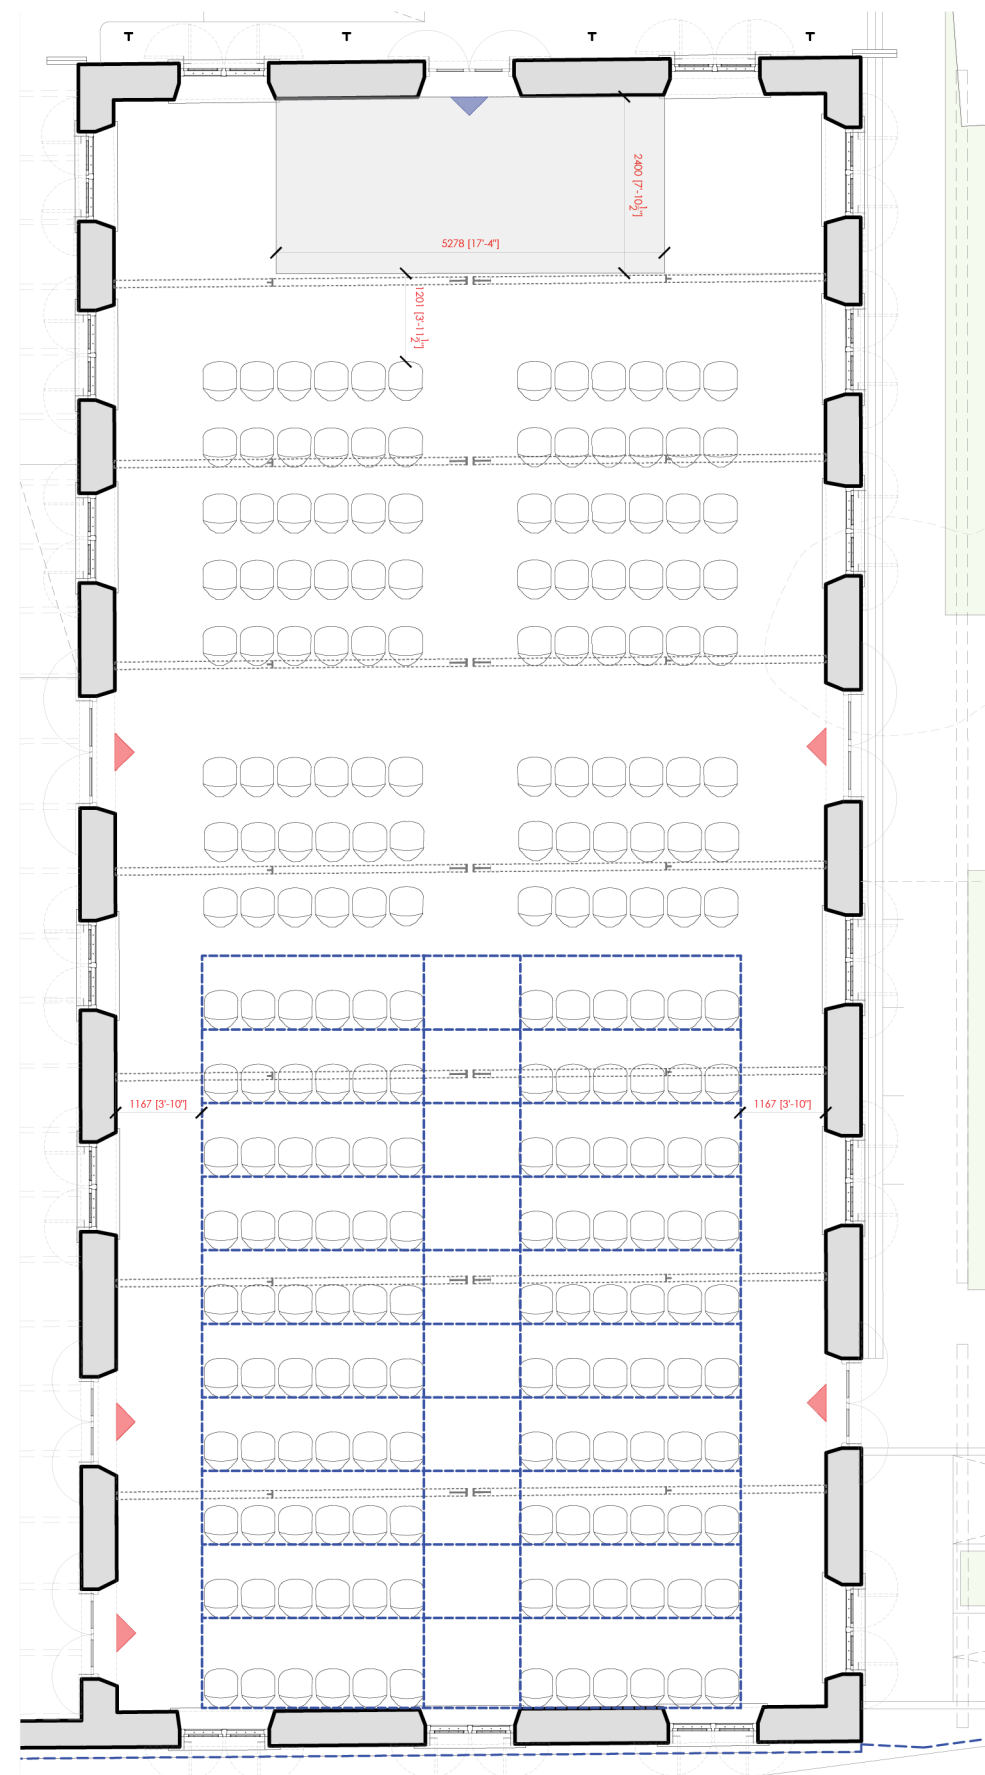

Flat Roof Block

Sloped Roof Block

Proscenium Layout-1
Capacity- 156 Seats

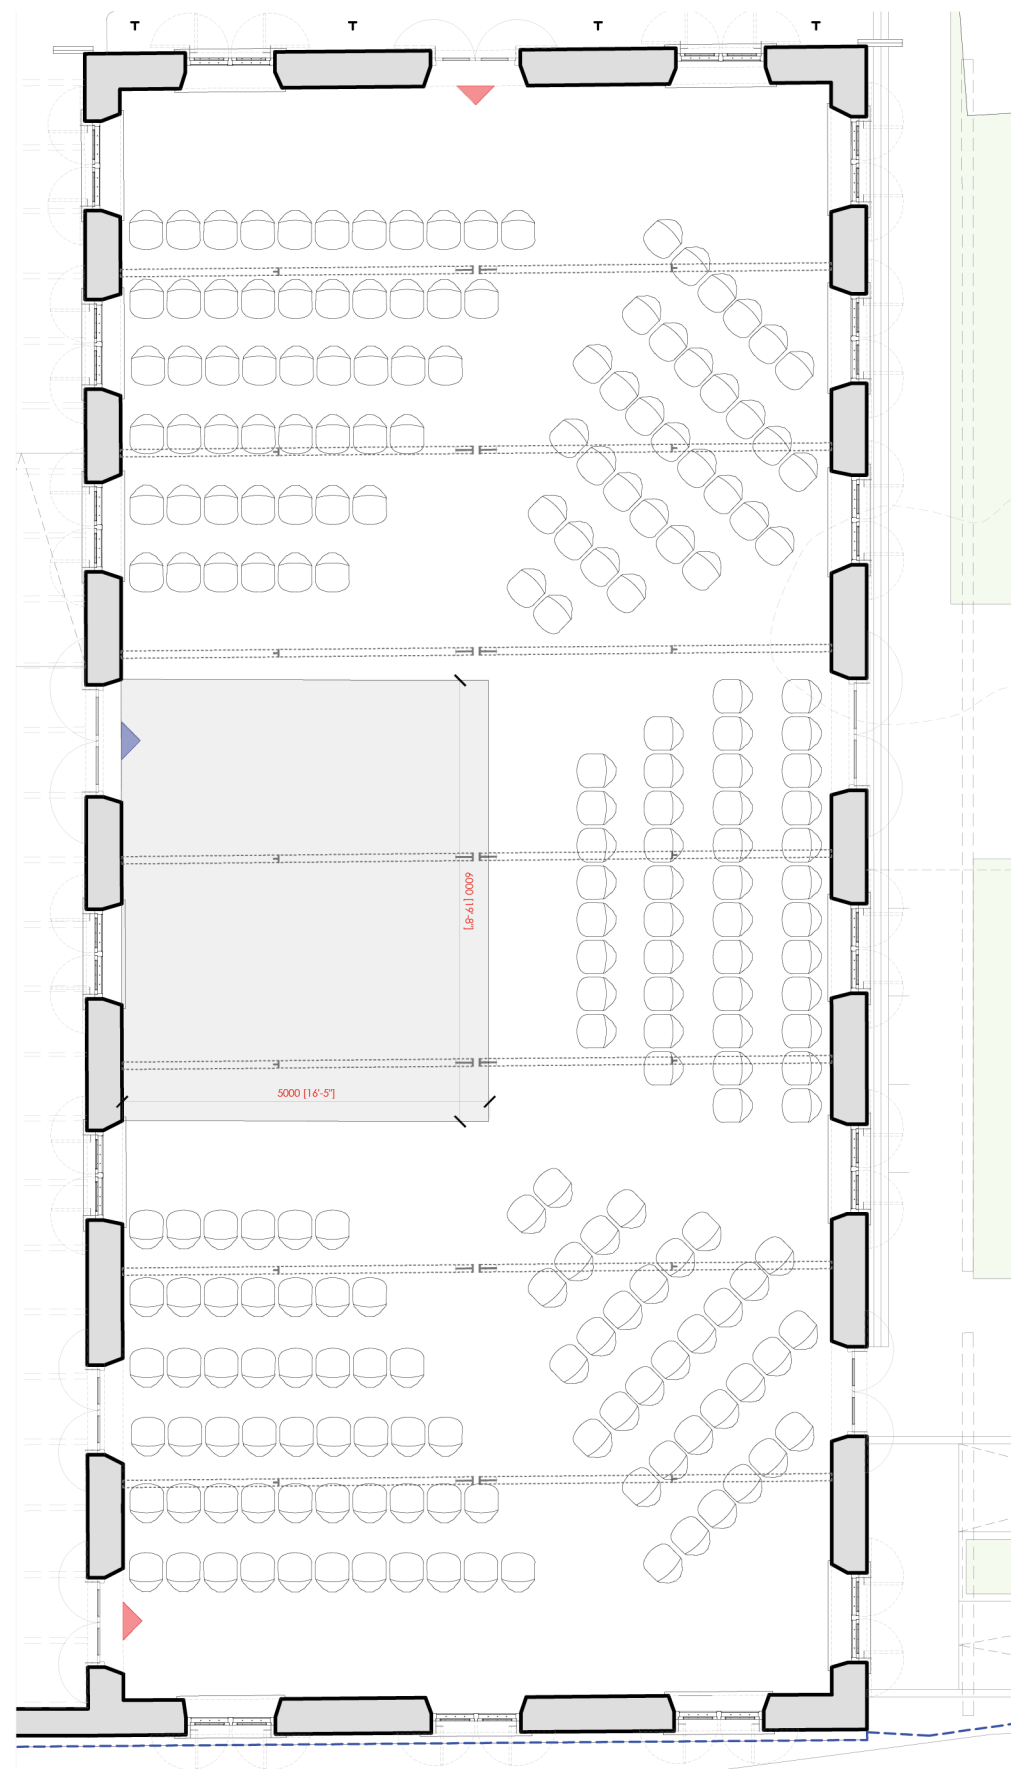

Proscenium Layout-2
Capacity- 216 Seats
